

HAMLET CLUSTER ASPHALT MAINTENANCE

NOTICE

Residents of Hamlet Cluster,

Dominion Paving & Sealing Inc. has been hired to perform work within your community. We will be performing sealcoating and re-striping of portions of your roadways and parking spaces. This project will renew the life of your asphalt surfaces as well as improve safety and aesthetics in your community. We ask for your patience and understanding while we work in your neighborhood.

Schedule for services is below:

Maintenance Schedule

6/28/2021: Sealcoat Phase 1 – (Mossy Creek Lane) No parking from 7:00am 6/28/2021 to 7:00am 6/29/2021. Area will remain closed to traffic during this time.

6/30/2021: Sealcoat Phase 2 – (Middle Creek Lane – 3 Lots) No parking from 7:00am 6/30/2021 to 7:00am 7/1/2021. Area will remain closed to traffic during this time.

Things to Remember

Parking – All vehicles must be out of the affected parking areas by 7:00 AM on days when Sealcoat work is scheduled. Any vehicles not moved by 7:00 AM **will be towed**.

Vehicular Traffic – No traffic will be allowed on the parking lots and roadways during the time your section is closed for sealcoating. Please abide by all barricades and signs; they are for your safety!

Pedestrians/Pets – Please stay off the asphalt while the section is closed for sealcoating. Walking through seal coat will result in tracking of the product onto concrete sidewalks and even into your homes. This is costly to clean and is not the responsibility of Dominion Paving & Sealing or the Property Management.

Weather – All dates are weather dependant. In the event of rain, we will be forced to cancel the project for that day. You will be notified as to when your parking lot has been rescheduled.

We thank you again for your patience and understanding as we complete this important project in your community.
